Cosmetic and General Dentistry

Dear Patients,

Effective immediately, the office policy will be to charge a minimum of \$50 for a missed appointment when a 24 hour notice is not given. Because appointments may vary in the time scheduled for each dental service, please understand the \$50 is a minimum charge. Long appointments will incur higher charges based on the time allotted in the day's schedule.

Please always give our office at least a 24 hour notice before canceling or rescheduling an appointment. Thank you for your understanding, and, as always, we look forward to serving all of our patients on time and one at a time.

Regards,

Elham Amini, D.D.S.
